TECHNOLOGY

9kg

1 Intelligent washing with AI control panel

Wash easily and effectively with powerful AI control. It personalises washing by remembering your habits, suggesting cycles and displaying timely information.

2 AddWash

AddWash lets you add extra items or detergent after wash cycle has started, so you can easily pop in clothes that require less time.

3 SmartThings app

Enjoy convenience and control at your fingertips, even remotely, using the SmartThings app on your smartphone.

Laundry planner

Offers a daily laundry plan.

Homecare wizard

Self-diagnoses and manages errors.

Laundry recipe

Suggests laundry presets and which items go together.

Going out mode

Makes location-based recommendations.

4 Efficient cleaning with Ecobubble™ technology

The new Ecobubble™ technology ensures that your clothes are washed gently but thoroughly.

Ecobubble generator

Bubbles activate the detergent so it quickly penetrates the fabric, removing dirt easily.

Bubble soak

Removes various stains more effectively with one simple touch.

Benefits

Up to 40x*
faster detergent
penetration

Up to 45%[^]
better
fabric care

Up to 24%[#]

saving

Images simulated. *Based on EMPA test of 9kg model (WF906U4SAGD, Synthetics). With or without bubble the washing performance is equal within 3% tolerance. [^]Based on the Performance Lab Test report by Springboard Engineering on EMPA strips. [#]Based on the Performance Lab Test report by Springboard Engineering on EMPA strips, comparing a normal detergent solution and bubble technology without mechanical action. [~]Tested in accordance with IEC 60456-2010 / 4kg Wash Load / Super Eco Wash cold (WF80F5E5U4W) vs. Cotton 40°C without Eco Bubble (WF0702WKU). Individual results may vary.

5 Hygiene steam

As we adjust to the post-pandemic way of life, we face an increasing need for safer laundry solutions. Hygiene steam cycle improves the cleaning quality of your wash without pre-treatments.

Benefits

Removes up to 99.9% bacteria* and inactivates allergens**

60°C steam released for 20 minutes from the bottom of the drum

Uses a smaller amount of water for a higher quality wash

6 Easy navigation

The intuitive display helps you find your favourite cycle simply and quickly.

7 Super speed

The rinsing time is shortened using speed spray. Fast washing in only 39 minutes.

AddWash range

Capacity	9kg
Energy rating	5★
Washing features	1400 RPM, Add door, Hygiene steam, Ecobubble, Dry programs
Convenience features	Smart check, Quick wash, Bubble soak

9kg

1 Add clothes during wash

Add Door lets you add missed out clothes even after the wash cycle has begun. It also lets you add clothes selectively for the rinse and spin part of the cycle.

2 Up to 99.9%* germ-free washing

Hygiene Steam kills up to 99.9%* germs and inactivates allergens in your clothes.

3 Gentle, yet powerful

Ecobubble technology's bubbles deeply penetrate, removing stains thoroughly.

4 Intensive stain removal

Bubble Soak phase steeps clothes in bubbles to remove tough stains.

5 Easy troubleshooting

Easy troubleshooting with **Smart Check**, an automatic error monitoring system.

Diamond Drum range

Capacity	8kg
Energy rating	5★
Washing features	1000/1200/1400 RPM, Hygiene steam, Diamond drum
Convenience features	Quick wash, Ceramic heater, Eco drum clean

diamonddrum
TECHNOLOGY

8kg

1 Energy efficient

A 5 Star* Energy efficiency rating that's good for you, and for the planet.

2 Gentle on clothes

Diamond Drum's 'soft curl' design has smooth and gentle diamond-shaped ridges.

3 Clean and hygienic

Eco Tub Clean keeps your top load washer fresh and hygienic while being eco-friendly.

4 Quick wash in minutes

A 15-minute **Quick Wash** cycle that's perfect when you have less time at hand.

5 Easy troubleshooting

Easy troubleshooting with **Smart Check**, an automatic error monitoring system.

Wobble range

Capacity	9kg
